Please note:

This will be a hands on workshop taught and supervised by Benjamin Rockwell, and Gene Chandler. There will be other Techs on hand for individualized help.

A short lecture and supply sheet will be given in the morning – as the First Seminar of the Day.

You will have ample time to shop at the LA Computer Fair for products on the list – which will allow you to spend as little or as much as you like.

***Dexterity** is important. Each participant should be able to manipulate simple tools (screwdriver, wrench, pliers, etc) or bring someone to assist you. (See Additional Member Participant above)

LA Computer Fair is a Team oriented show – we encourage you to build your computer together – limit one additional member with one paid member. NOTE: Only ONE (1) workshop package per PAID Team Member.

Thank you for your participation. The LA Computer Fair welcomes the opportunity to bring you this workshop to you and looks forward to many more in the future.
